

Precast Concrete Grouting & Patching Crew Member

JOB TYPE | Permanent, Full-Time, Year-Round

LOCATION | Blackfalds, Alberta

DIVISION | Field

START DATE | As soon as possible

Eagle Builders is a local, family-owned and operated manufacturing and construction company rooted in Christian beliefs and values. We specialize in the design, engineering, fabrication, and building of precast concrete structures.

Position Summary

Can you see the small details on large construction projects? Are you a team player who takes pride in the work you do? Does the idea of spending your workdays on varied sites across Western Canada excite you? If so, we would like to hear from you!

We are seeking candidates with construction experience to perform a variety of physically intensive duties including lifting, bending, kneeling, working from heights, using hand/power tools, and being on your feet for long periods of time.

Join our high-performing team today if you can demonstrate a strong work ethic, navigate challenges with resilience, and be immersed in a culture of constant innovation.

Job Description

- Mix and apply the grout to designated areas
- Patch and repair any damaged panels
- Skillfully use grinders and other power tools to finish precast concrete
- Accomplish a variety of tasks that help with the progress of the build
- Working independently and/or effectively within a crew of 3-5 team members on the construction site
- Take direction and collaborate with your foreman or supervisor
- Adhere to all company policies and procedures

Requirements

- Applicants successful in the interview process will be asked to complete a pre-employment assessment as part of the final hiring process
- Valid Standard First Aid, Aerial Work Platform, and Fall Protection
- Valid Class 5 license and reliable transportation
- Available to work away from home Monday - Friday, occasional Saturday
- Minimum 44 - 50 hours per week
- Physically fit with the ability to perform physically demanding work for extended periods
- Ability to work in a fast-paced environment
- Must have an eye for detail, color matching, and a creative mindset
- Ability to work at heights with proper safety restraints
